DATE: December 18, 2024

SUBJECT: NYS Regional Killers Leading the NYS Reparations for Slavery Process, NYS Governor Actress and Regional Killer, Kathy Hochul and Regional Killer Adam Urbanski. Non Regional Killing Reparations Have Enforcement of Equal Protection of The Law Enforcements In Place, to Right Past Governance Wrongs, So They are Not Repeated. Please See the Attached Reparations Summaries that are Needed Beyond and In Addition to the Monetary Gains.

Dear NYS Reparations for Slavery Historians, Officials and Future Participants:

I write this letter with respect to the NYS Reparations claims process being attached to regional killer Adam Urbanski's CFTC, Commodity Futures Trading Commission, concoction. I write this on behalf of public safety, education and the need for the arrest of Regional killers NYS governor actress Kathy Hochul and Adam Urbanski, for their repeated criminal use of the governor's office and unsupervised, money out of thin air, for assassination programming, so they can meet their satanic contract for killing massively, in exchange for wealth and power, they could never earn.

The purpose of this memorandum is to highlight serious incidents concerning deadly conflicts of interest associated with the people allegedly leading the NYS reparations for slavery process. Specifically, the lawless leadership involvement of regional killers, NYS Governor actress Kathy Hochul and Adam Urbanski. They are documented as "ruthless satanists and regional killers" and have repeatedly used their government leadership positions for satanic purposes, including: democide, refused and denied equal protection of the law, egregious Treason and satanic mass murder contracting, in exchange for their occultic oath for wealth and power.

Furthermore, the evidence shows and their actions exemplify their lawless leadership in multiple NYS induced man made disaster programs, designed and created to induce hospitalize and kill New Yorkers. Please see the most recent Regional Killers Kathy Hochul and Adam Urbanski, NYS man made disaster plot via their NYC Bomb threat assassination programming, with their NYC search and rescue democide plots, ready at:

Regional killer Adam Urbanski is Actress Hochul, satanic assassination programming mentor. They are loyal, proud and deadly assassins, murder by proxy programmers, eugenicists, and satanists/occultists. They have criminally used the NYS Governor's position, office and money for their satanic mass murder requirements, in exchange for wealth and power, they could never earn. Consequently, as part of their satanic wealth plan, they pledged the lives of New Yorkers, to meet their satanic required killing quota.

Regional Killer Adam Urbanski is the American Federation of Teachers Association, stolen Vice President position holder, for over 40 years. He is 80 years old, and up to today, satanically attached and stalking Rochester City School District inner city, vulnerable population, children. He has a public spectacle, criminal senile, unwarranted, stronghold attachment to RCSD students, while he hates equal level and experienced RCSD educators who look like the children.

He is satanically obsessed with the RCSD children's live innocent blood, via his University of Rochester Medical School paid for children's live blood drainings. He has been criminally feeding the RCSD children's live blood to his blood thirsty satanic cult members. This is why at 80 years old, he is still in a defrauded leadership position, as Rochester Teachers Association, over 40 years stolen vote, union president, and student and staff killer.

Regional Killer Adam Urbanski is Kathy Hochul and was Andrew Cuomo's, satanic, warlock, assassination programmer and trainer. They are all satanists/occultists with no allegiance to the United States, its Constitution and hate its people, particularly, God loving people. As loyal satanists and regional killers, Kathy Hochul and Adam Urbanski are leading and using the NYS Reparations for Slavery process, for their CFTC future regional and satanic required killings.

They have a satanic concoction called the CFTC, the Commodity Futures Trading Commission controlling all the money and it is the signature seizure site for claiming NYS Reparations payments. See the attached exhibits.

The Commodity Futures Trading Commission is a satanic human capital Regional Killer Adam Urbanski criminal concoction created to usurp whole body donation unconscionable consent form signatures of healthy people, to put in Regional Killer Adam Urbanski's criminal senile human trafficking, human trading, human sacrifice killing, futures data base, located at: https://brokercheck.finra.org.

Please note both my induced hospitalized, label dead, while alive, muted mouth, human sacrifice killed sister and my father are, criminally, in the above criminal senile body broker database with unconsented profiles in human trading/cloning firms. Check the above linked data base for all your loved ones killed in the hospital, or any untimely suspicious deaths or people killed under a hospital phenomenon. Regional killer Adam Urbanski is criminally using the NYS Reparations for Slavery process for recruitment into his satanic required killing programs and is doing so via Actress Kathy Hochul. Regional Killer Adam Urbanski is criminally using two other money fronts, to recruit healthy people for his future satanic contracted killing requirements.

One, is his NYS Hospital Bonus Money Attestation Witchcraft Program. This satanic bonus money attestation program is used for multiple hospital assassation programming. They have their satanic human sacrifice killing programming, where satanic rituals are used to kill patients labeled undead. They have their hospital micromanagement via plausible deniability infectious disease hospital administration, democide, and economic credentialing in high positions. All hospital assassination programming is for Regional Killer Adam Urbanski's satanic required mass murders, in exchange for wealth and power.

Additionally, like with his Reparations CFTC human trading cursed program, the NYS Hospital Bonus Money Attestation Curse Program is designed for usurping whole body donation consent form unconscionable signatures for his necromaniac, human trafficking/trading, satanic rituals, enticement into slavery, and human sacrifice killing programs. Please see his ready made placement centers for whole body usurpations disguised as donations in his enticement into slavery published delusion of law manifested program at: https://www.law.cornell.edu/uscode/text/18/1583

The other Regional Killer Adam Urbanski, satanic oath required NYS mass murder futures program, is his Rochester City School District Human Capital, induce hospitalization, human sacrifice killing program. In this capacity, he uses democide to program poisonings for induce hospitalizations of RCSD students and staff. Please read about one of his student poisonings at:

Also, please see Regional Killer Adam Urbanski's NYS HOSPITAL ADMINISTRATION USURPATION SCAM INFLICTED AS HIS BONUS MONEY ATTESTATION GUIDANCE scam, in the exhibit NEW11G attached. He is using his unwarranted and spiritual, attestation rubbish for hospital usurpations for his infectious disease hospital micromanagement, label dead, while alive, antemortem creation, undead, and living dead with muted mouth, hospital administration. Please see his attached hospital bonus money attached to his witchcraft attestation, just like his NYS reparations is attached to his sell your soul futures human trading CFTC satanism firm.

I am in the process of completing an over 300 page new criminal report regarding regional killers Kathy Hochul and Adam Urbanski. Unfortunately, a regional killer and mad man with unsupervised eugenic money, Adam Urbanski, has stalked me to every website I created and instituted his paid for sabotage. Hence, on the links below, you will find, one of the most current criminal reports, I have had to write regarding regional killers NYS governor actress Kathy Hochul and necrophiliac Adam Urbanski.

Their repeated induce man made disasters, 911 bombings and bomb threats, for induce hospitalizations of New Yorkers, for their hospital prepaid label dead, while alive and muted mouth creations, for their human trafficking endeavors, criminally published as enticement into slavery cites, required the writing of such criminal report. Please see their delusion of law Enticement Into Slavery malediction, that is 100 percent unwarranted and uncalled for, yet exemplifies mad man and psychopath with unsupervised eugenic assassination money, NYS reparations goal writing, at: https://www.law.cornell.edu/uscode/text/18/1583.

Finally, in the below attached exhibits, I summarize reparations needs that can help change the world and have significance above and beyond, just money. Please work together as a community, to show the world what true reparations are, as such must advance civilization and not just focus on material wealth, consistent with what satanists want.

Let us keep our eye on the Most High God, and focus on NYS Reparations that ENFORCE, MANDATE AND SUPERVISE THE ADMINISTRATION OF EQUAL PROTECTION OF THE LAW, IN EVERY ASPECT OF OUR LIVES, STEMMING WITH ENFORCING PENALTIES FOR ALL WHO OBSTRUCT THE GOD GIVEN RIGHT TO A HEALTHY LIFE, GOD TIMED DEATH, AND THE RESPECT FOR THE SANCTITY OF LIFE AND DEATH. There are over 70 reparations summaries and exhibits attached. Please forward to all criminal justice authorities and all over. Please help move these killers out of the secrecy curse. These regional killers must be brought to justice via death penalty/life time sentence enforcement, just like what they did to their assassin programmer, Colin Ferguson. Please see exhibits NEW11V to Y. Thank you for your time.

Sincerely,

Miriam Snyder, mirisni@aol.com

THE HUMAN COMMODITY

You could legally sell your kidney for upwards of $6,000. Iran currently has no renal transplant waiting list, a credit to this policy legalizing the organ trade. In the U.S., where organ sales are illegal, the present waiting list of kidney transplant candidates numbers around 75,000. These individuals rely on the uncompensated charity of living organ donors, or, more commonly, the consenting donations of deceased persons.

"Undead commodities" is a term used to describe commodities that are valued for their ability to stay alive without being too lively. The term is used in the Oxford University Research Archive paper From undead commodities to lively labourers: (re)valuing vegetal life.

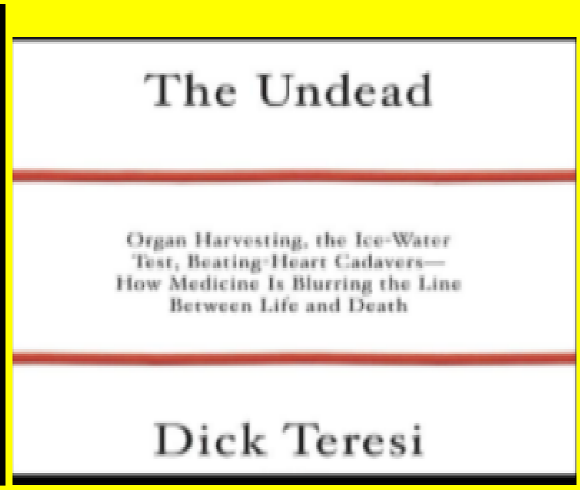

The paper explains that the value of undead commodities comes from their ability to remain alive while being included in the commodity circuit.

Commodities can be classified as Class I, II, III, IV, or high hazard. They can be bought and sold on exchanges, such as the Chicago Mercantile Exchange (CME), New York Mercantile Exchange (NYMEX), and London Metal Exchange (LME).

To enhance these efforts, in April 2017 **the Governor signed the unprecedented $2.5 billion Clean Water Infrastructure Act of 2017.** The Act will provide direct support to help communities to upgrade aging drinking water and wastewater infrastructure and protect drinking water sources by conserving open space and addressing contaminants, prioritizing regional collaboration at the watershed scale and creating thousands of jobs in the process. This will include funding to **upgrade drinking water infrastructure with modern filtration systems and connect contaminated private drinking water wells to regulated public systems**, as well as additional support for the State Superfund program. In addition, the Clean Water Infrastructure Act of 2017 has directed DEC, in consultation with DOH, to build a comprehensive database, evaluate and prioritize over 1750 inactive solid waste sites statewide to determine any potential impacts from PFAS and/or other contaminants of concern on drinking water sources resulting from any of these sites and to provide recommendations for remediation and mitigation measures for the sites impacting drinking water sources. As a part of this process, the Departments are conducting drinking water sampling in areas where groundwater may have been impacted to verify drinking water quality and to identify appropriate next steps.

Emergency Rule and Final Rule

In January 2016, New York became the first state in the nation to regulate PFOA as a hazardous substance followed by the regulation of PFOS in April 2016. The regulation requires the proper storage of the substances and limited releases to the environment, and enabled the **state to use its legal authority and resources** of the State Superfund program to advance investigations and cleanups of impacted sites. The Final Rule for PFOA and PFOS became effective on March 3, 2017. By finalizing the regulations.

Association Between Fine Particulate Matter and Diabetes Prevalence in the U.S.

1. Corresponding author: John S. Brownstein, john_brownstein@harvard.edu.
Diabetes Care 2010 Oct; 33(10): 2196-2201. https://doi.org/10.2337/dc10-0698

Abstract

OBJECTIVE Recent studies have drawn attention to the adverse effects of ambient air pollutants such as particulate matter 2.5 (PM2.5) on human health. We evaluated the association between PM2.5 exposure and diabetes prevalence in the U.S. and explored factors that may influence this relationship.

RESEARCH DESIGN AND METHODS The relationship between PM2.5 levels and diagnosed diabetes prevalence in the U.S. was assessed by multivariate regression models at the county level using data obtained from both the Centers for Disease Control and Prevention (CDC) and U.S. Environmental Protection Agency (EPA) for years 2004 and 2005. Covariates including obesity rates, population density, ethnicity, income, education, and health insurance were collected from the U.S. Census Bureau and the CDC.

RESULTS Diabetes prevalence increases with increasing PM2.5 concentrations, with a 1% increase in diabetes prevalence seen with a 10 μg/m³ increase in PM2.5 exposure (2004: $\beta = 0.77$ [95% CI 0.39–1.25], $P < 0.001$; 2005: $\beta = 0.81$ [0.48–1.07], $P < 0.001$). This finding was confirmed for each study year in both univariate and multivariate models.

THE FOURTH AMENDMENT STATES ALL PEOPLE, INCLUDING SATANISTS, MUST HAVE AT MINIMUM, PROBABLE CAUSE AND AN AFFIDAVIT, BEFORE SEIZING AND SEARCHING ANYONE'S DEAD, UNDEAD, OR LIVE BODY. THE ABOVE LEGISLATION IS IN CONFLICT, BETRAYS, AND REDUCES THE PROTECTIONS IN THE FOURTH AMENDMENT, BY IMPLYING THAT ALL SATANISTS/BODY BROKERS NEED TO SEIZE AND SEARCH DEAD, UNDEAD, OR LIVE BODIES, IS AN UNKNOWN SIGNATURE BODY DONOR CONSENT FORM. THIS IS A SATANIC BODY COLLECTION/SEIZURE WEAPONIZATION CRIMINALLY INFLICTED ON US CITIZENS, THAT FACILITATES SATANIC HUMAN TRAFFICKING, HUMAN SACRIFICE RITUALS AND KILLINGS. Q. Could the Department provide additional guidance regarding the employee attestation?

A.The information below offers further details on employee attestations:

- Employers must collect employee attestations prior to submitting a bonus claim for the employee.
- Employers must retain the signed attestations from employees, but do not need to submit to the State unless explicitly requested to do so.
- If an employee fails to or refuses to sign the attestation but are otherwise eligible, employers should retain the documentation on why the employee is eligible and retain documentation that the employee declined to provide the signed attestation.
- Employers, if they choose, may collect employee attestations covering October 2021 - September 2022 to allow those employees to only attest once.
- Employers should submit claims for employees under the MMIS ID that is most appropriate for their employment situation. Therefore, the employee attestation should indicate the MMIS ID where the employee primarily works.

EFFECTIVE REPARATIONS MEAN BEING EDUCATED IN PAST EUGENICS CRIMES AND EVEN SATANISM, SO THEY WILL NOT BE REPEATED.

Democide, which refers to the murder of any person or people by a government, including genocide, politicide, and mass murder, is not explicitly stated in the United States Code with that term. However, based on the nature of Regional killers Kathy Hochul and Adam Urbanski's criminal usurpations and acts, the following federal statutes from the United States Code (USC) apply:

1. 18 U.S. Code § 1091 - Genocide: If the acts of the government can be characterized as an intent to destroy, in whole or in part, a national, ethnic, racial, or religious group, this statute applies. Regional Killers Kathy Hochul and Adam Urbanski's NYS satanic cult, hates and targets people who love, adore and worship the Most High God. This NYS satanic cult is defined as a Religious Extremist Terrorist Group, specializing in Induce Man Made Disasters for induce Hospitalizations, for undead creations, for Human Trafficking and Human Sacrifice Killings, for their satanic wealth and corruption oath.
REGIONAL KILLER ADAM URBANSKI PUBLISHED MAN-MADE DISASTER STEPS FOR RELIGIOUS EXTREMIST TERRORIST GROUPS, WHO THINK THEY ARE ABOVE THE LAW AT:

2. 18 U.S. Code § 201 - Bribery of Public Officials and Witnesses: This statute prohibits offering, giving, or promising anything of value to a public official to influence an official act, or to induce the official to do or omit to do any act in violation of their lawful duty. The NYS Hospital bonus with the satanic attestation, is for the above crimes. The attestation changes all, from political to spiritual. This is the regional killers malediction administration for, the democide enjoinment, unified in killing by the money and attestation malediction, for their required satanic bloodshed killings, for their unwarranted greed, personal gain, wealth and corruption satanic contract.

REPARATIONS, PLEASE ENFORCE THE BELOW LAWS:

18 U.S. Code § 208 - Acts Affecting a Personal Financial Interest, it is unlawful for an employee of the executive branch of the federal government to engage in any action or participate in matters where they have a direct and substantial personal financial interest. Regional killers Adam Urbanski and NYS Governor Actress, Kathy Hochul have criminally used their executive branch positions as governor and American Federation of Teachers, Vice President, to meet their satanic oath for wealth and power, for years, by exercising criminal influence and usurped authority over the management of every NYS agency.

Examples of their deadly conflict of interest ramifications, include, the massive amounts of killings in NYS hospitals with no penalties and the massive amounts of students and staff, human trafficked and killed under phenomena in the Rochester City School District . Recently, they have incorporated an unauthorized body broker Human Capital office disguised as the RCSD personnel and benefits office. By planting this Human Capital concoction with usurped authority, satanists and regional killers, Ubanski and Hochul, have control over all student issues including the hiring of staff who work directly with the children, food preparers, nurses, injections, medicine and staff, medical, dental, retirement benefits and more. Regional Killer Adam Urbanski is the lead satanists, witch doctor, occultist, election fraud specialist, human trafficking and human sacrifice mentor.

He has all this usurped power, while he is a loyal and insane satanist with an allegiance to human trafficking and killing for his satanic oath and financial gain. Also, he has income lynched and blacklisted experienced, qualified, and state education department commended educators, to create and maintain work environments with economically credentialed, inexperienced and not qualified people, so he can use work environments for his satanic and nefarious human trafficking and human sacrifice killing, to meet his satanic oath. Also, he has a personal and conflict of interest, in using his concoctions, such as his newly created, criminal NYS hospital attestation process and his RCSD unauthorized human capital front, both entities are spiritual constructs for satanists. Regional Killer Adam Urbanski NYS hospital attestation process in exchange for bonus money and his RCSD human capital concoction, both control all the money in the establishments. As such, he is using a democide malediction, for unified staff satanic assassination programming, for his oath binding and mandated, satanic human sacrifice killings.

Above all, both of his satanic constructs are used for signature seizing by his satanic design. Staff signatures are needed and used for his democide enjoinment of staff in his maledictions. Staff signatures are criminally collected under unconscionable contracting for his attached defraud the United States of America's people, treasonous body donor consent forms. The body donor consent forms come with two unconstitutional, no probable cause, no affidavit, no warrant, delusions of law, for human body, live, dead, and undead, seizures, all for Regional Killer Adam Urbanski's necromaniac demon obsessions, crimes and killings.

NIOSH has become aware of a counterfeit N95 Respirator on the market. The manufacturer Zubi-Ola is selling N95 respirators and marketing them as NIOSH-approved even though Zubi-Ola is not a NIOSH approval holder or a private label holder. In addition, NIOSH was made aware of manufacturers misrepresenting the NIOSH-approval. These manufacturers include:

1.) Wein Products- All approvals for Wein Products were rescinded in 2011. However, the manufacturer's website continues to state the ViraMask N99ESC is certified by NIOSH. View the user notice announcing then rescission.

2.) Steelpro Safety- Steelpro Safety is a private label holder of Fido Masks. In 2014, Fido rescinded the certificates of approval for their respirators, but Steelpro's website continues to state that respirator

Velsharoon (pronounced VEL-shah-roon) is the Archmage and god of Necromancy. Velsharoon is a vain, selfish, petty, but very canny deity consumed with vengeance, obsessed with experimenting on living and dead beings, and unconcerned with the fates of lesser creatures.

What is a necromaniac?

REPARATIONS BEGINS WHEN THEY ARE ARRESTED AND PENALIZED FOR THEIR CRIMINAL USE OF THE ATTACHED NYS SATANIC ASSASSINATION PROGRAMS, WITH A DISCRIMINATORY IMPACT. THEY NEED TO BE ARRESTED TO DETER THE GENOCIDE CRIMES AND FOREVER STOP RESURRECTION. REPARATIONS START WHEN THEY ARE ARRESTED AND PEOPLE CAN BE AT PEACE.

REGIONAL KILLERS ADAM URBANSKI AND KATHY HOCHUL SATANIC, UNWARRANTED, GREEDY, MALICIOUS AND INHUMANE HUMAN SACRIFICE REGIONAL KILLING CRIMES AND PROGRAMS INFLICTED IN THIS MATTER, WARRANT ENFORCEMENT OF THE DEATH PENALTY LIFE SENTENCES. THE BELOW ARE SOME OF THE HUMAN SACRIFICE, TRAFFICKING, TRADING AND KILLING CRIMES AND DESCRIPTIONS OF THE CRIMES INFLICTED IN THIS MATTER. THIS INCLUDES:

Democide, which refers to the murder of any person or people by a government, including genocide, politicide, and mass murder, is not explicitly stated in the United States Code with that term. However, based on the nature of Regional killers Kathy Hochul and Adam Urbanski's criminal usurpations and acts, the following federal statutes from the United States Code (USC) apply:

18 U.S. Code § 1091 - Genocide: If the acts of the government can be characterized as an intent to destroy, in whole or in part, a national, ethnic, racial, or religious group, this statute applies.

18 U.S. Code § 201 - Bribery of Public Officials and Witnesses: This statute prohibits offering, giving, or promising anything of value to a public official to influence an official act, or to induce the official to do or omit to do any act in violation of their lawful duty. The NYS Hospital bonus with the satanic attestation, exemplifies bribery of public officials and witnesses. Her NYS hospital bonus money and its attached Attestation Process changes all, from political to spiritual. This is the regional killers malediction administration for their required satanic killings, for their unwarranted greed, personal gain , wealth and corruption,

Pursuant to 18 U.S. Code § 208 - Acts Affecting a Personal Financial Interest, it is unlawful for an employee of the executive branch of the federal government to engage in any action or participate in matters where they have a direct and substantial personal financial interest. Regional killer Adam Urbanski, has criminally used his position within the American Federation of Teachers, as Vice President, to meet his satanic oath for wealth and power, for years, by exercising improper influence and usurped authority over the management of every school I have worked at, emphasis

on the the Rochester City School District . Recently he has incorporated an unauthorized body broker Human Capital office disguised as the RCSD personnel and benefits office. By planting this Human Capital concoction with usurped authority, he has control over all student issues including the hiring of staff who work directly with the children, food preparers, nurses, injections, medicine and staff, medical, dental, retirement benefits and more.

He has all this usurped power, while he is a loyal and insane satanist with an allegiance to human trafficking and killing for his satanic oath and financial gain. Also, he has income lynched and blacklisted experienced, qualified, and state education department commended educators, to create and maintain work environments with economically credentialed, inexperienced and not qualified people, so he can use work environments for his satanic and nefarious human trafficking and human sacrifice killing, to meet his satanic oath.

Also, he has a personal and conflict of interest, in using his concoctions, such as his newly created, criminal NYS hospital attestation process and his RCSD unauthorized human capital front, both entities are spiritual constructs for satanists. Regional Killer Adam Urbanski NYS hospital attestation process in exchange for bonus money and his RCSD human capital concoction, both control all the money in the establishments. As such, he is using a democide malediction, for unified satanic assassination programming, for his oath binding and mandated, satanic human sacrifice killings.

Above all, both of his satanic constructs are used for signature seizing by his satanic design. Staff signatures are needed and used for his democide enjoinment of staff in his maledictions. Staff signatures are criminally collected under unconscionable contracting for his attached defraud the United States of America's people, treasonous body donor consent forms. The body donor consent forms come with two unconstitutional, no probable cause, no affidavit, no warrant, delusions of law, for human body, live, dead, and undead, seizures, all for Regional Killer Adam Urbanski's necromaniac demon obsessions, crimes and killings.

18 U.S. Code § 371 - Conspiracy to Commit Offense or to Defraud United States: This broad statute is used when two or more persons conspire either to commit any offense against the United States or to defraud the United States in any manner or for any purpose. Regional Killers Adam Urbanski and Kathy Hochul bonus money to hospital workers with their satanic attestation malediction, for hospital democide in assassinating New Yorkers, epitomizes Defraud the United States and its people, crimes.

Also, their defraud the United States crimes are exemplified in the attached exhibits, such as their: breathless receptor Covid Fraud, their unauthorized Discriminatory NYS Driver License suspension program, their NYS Tax warrant with no signature used to seize money and safe travel liberty rights to pit police and civilians, for induce hospitalizations, their attached 2 NYS bomb threats, their NYC 911 bombing, Actress Hochul's quarantine fraud/scam, induce diabetes air particulates, induce cancer radiation antenna placements next to targeted humans for assassination programming , use of a reparations front for their slavery enticement published malediction, repeated betray the USA Constitution delusions of law for induce hospitalizations, label dead, while alive and muted mouth preparations for human trafficking, satanic rituals administered as

hospital experiments, human sacrifice killings, multiple deceitful criminal signature seizures for delusions of law body donation consent forms and defraud the United States legislation.

Furthermore, the attached evidence shows Adam Urbanski is involved in multiple business operations, including funeral, cremation, memorial, and insurance services, which present a defraud the United States conflict of interest with his responsibilities involving the well-being of children and adults. His financial interests in these businesses are being inappropriately served by the demise of students and staff, as these unfortunate events benefit his business ventures. This epitomizes a serious breach of ethical conduct and criminal activity, that has effectuated aggravated human trafficking and human sacrifice killings. He has a vested satanic oath and interest in outcomes that are in direct conflict with the responsibilities of his positions and the welfare of those under his care. It is incumbent upon the relevant authorities to investigate these declarations thoroughly to ensure that justice, integrity, and public safety within the public sector are upheld.

18 U.S. Code § 1001 - Statements or Entries Generally: This law makes it a crime to knowingly and willfully falsify or conceal information in any matter within the jurisdiction of the executive, legislative, or judicial branch of the U.S. government. Actress Kathy Hochul's falsifying and concealing her delusions of law NYS tax warrant program that criminally seizes money, good-standing driver licenses, and homes of the elderly and other vulnerable populations exemplify her willful falsification and concealment crimes, and more. Her NYS counterfeit law making and use of delusions of law, for induce hospitalizations, label dead,while alive, satanic human trafficking and human sacrifice killing includes: her economic credentialing, body donor, discriminatory driver's license program, her enticement into slavery NYS reparations scam, her Chinese spy working in her office for years, and more.

18 U.S.C. §§ 1961-1968. RICO (Racketeer Influenced and Corrupt Organizations Act): Description: RICO provides for extended criminal penalties and a civil cause of action for acts performed as part of an ongoing criminal organization. The law focuses on "racketeering activity," which can include a variety of crimes such as bribery, securities fraud, wire fraud, mail fraud, gambling offenses, money laundering, and a list of other offenses. Under RICO, it is illegal to invest income derived from a pattern of racketeering activity in an enterprise affecting interstate commerce, to acquire or maintain an interest in such an enterprise through a pattern of racketeering, to conduct or participate in the conduct of such an enterprise's affairs through racketeering, or to conspire to do any of the foregoing. RICO also allows for the leaders of a syndicate to be tried for the crimes they ordered others to do or assisted them in doing, closing a loophole that allowed a person who instructed someone else to, for example, commit murder to be exempt from the trial for that crime.
